Scholarship Background

Colleen writes, "Christian education is of utmost importance to Cal and Char Los. They both taught in Christian schools for many years, their last teaching positions being at BCCS. As parents to my two siblings and me, they would take out a loan each year to keep us in Christian school, most of our years at BCCS. Then, each summer, my dad would work a second job to pay off the loan. My husband and I also made the choice to put our children through BCCS, and now some of our grandchildren attend here. We want others to have the ability to give their children an education rooted in God's Word. This scholarship is to honor my parents who began the wonderful heritage of Christian education for our family."
